BAITUL MUKARRAM

PRAYER FACILITY

Baitul Mukarram inaugurated in April 2014, with approximately 80 Muslim houses within 2-kilometer radius of its location in Roskill South.

The location was perfect for Muslim community living around nearby suburb of Hillsborough and Lynnfield which did not have any such facilities.

Baitul Mukarram is a result of a local Muslim businessman dedicating a basement space of his commercial property for the benefit of the local community coupled with the initiative of few local youths to establish the prayer facilities.

Hence the opportunity became fortune for the Ummah!
