بِسْمِ اللَّهِ الرَّحْمَٰنِ الرَّحِيمِ

Our beloved Nabi, Hadhrat Muhammad (Sallallahu Alayhi wa Sallam), said, "To seek sacred knowledge is an obligation on every Muslim" (Ibn Maja).

This hadith emphasizes the importance of acquiring religious knowledge. It is incumbent (Fard'ayn) upon every Muslim to seek enough knowledge to fulfill their religious duties. For instance, a Muslim must know who the Creator is, understand His Oneness, acknowledge the prophethood of His messengers, and be familiar with how to perform Salaah, fast during Ramadan, and other essential practices.

This is exactly why, Alhamdulillah, we have established Madrasah tul Mukarram, where Islamic classes are offered for your children to learn about their Deen (Religion) “Islam.”

Our syllabus is a comprehensive program, starting from Grade 1 (5 years old) through Grade 10 (14 years old). It is designed to cover all the fundamental aspects of our pure Deen, ensuring that students gain the necessary knowledge to live as practicing Muslims. The material has been simplified to help children retain more information, and we also emphasize practical application, encouraging students to bring what they learn in the classroom into their daily lives.

Additionally, the syllabus includes many virtues of good actions, motivating students to adopt these practices from a young age, so they become ingrained habits, Insha Allah.

At Madrasah tul Mukarram, we have adopted the syllabus of the Wifaqul Ulama South Africa the Taleem series.

These books consist of 4 main subjects:

- Taleemut Tareekh
- Taleemul Fiqh
- Taleemul Aqaaid
- Taleemul Ahadeeth
